Experience

Web Developer Intern

Hello Princess Beauty and Wellness Center
February 2025 – April 2025

- Developed internal pages using HTML, CSS, JavaScript, and PHP
- Built CRUD applications and integrated with MySQL databases
- Used GitHub for version control and project tracking

Web Developer Freelance

Self Employed
February 2025 – June 2025

- Built and maintained websites for small clients using HTML, CSS, JavaScript, and PHP.
- Developed responsive layouts and implemented basic database features with MySQL.
- Handled hosting setup, deployment, and minor client revisions.

Technical Projects

- Ticketing System – Developed a PHP & MySQL-based platform to manage event reservations, track seat availability, and send automated confirmations.
- Inventory Management System – Built a web application to monitor stock levels, update product details, and generate sales and restocking reports.
- Web Hosting – Configured and deployed PHP applications with integrated MySQL databases on shared hosting environments.
- Email-Based Authentication – Implemented a secure login and registration system with email verification and password reset functionality.
- SQL Database Management – Designed, maintained, and optimized MySQL databases using phpMyAdmin for efficient data storage and retrieval.
